

## TWIN LUNCH

Started by Twin Brothers: Harris and Harold Bethers in about 1938.

They ran it for about 5 years and then Mary (wife of Harris) became ill and so Reed and Harold Bethers ran it for some time. Harris also ran a gasoline service station on the same property and Harry McCord from Provo delivered gas to them.

Mr. Alpheus Mitchell Gray had been cutting meat at Owen F Buell's grocery store; he then came to help Reed and Harold Bethers in Twin Lunch.

Alpheus Mitchell Gray went to the mines in 1939.

Next, a real estate man whose name was Finley bought the Business from Harris and Harold Bethers.
